Dear Faculty:

A task force has been developed on campus regarding the Dew Drop Bridge.

Our objective is to either have the bridge rebuilt, or another, equally attractive one installed.

We ask that you please take a few moments, in the beginning of your class to answer these questions. It would be of much help in determining the worth of our goal.

Also, if you could please ask any student that has already surveyed, not to respond twice, we would appreciate it.

The questions are the following:

Number of Students in Class _____

Would You Like to have a Wooden Bridge

Yes _____

No _____

Undecided _____

If Yes, Would you be willing to donate between \$1.00 and \$5.00 _____

Please send this entire letter to P. O. 1249.

Thank you for your cooperation.
